Veterinarian, Part-Time

JOB ANNOUNCEMENT

Join Los Angeles' first and finest animal welfare organization as a veterinarian! Dedicated to the prevention of animal cruelty through Education, Law Enforcement, Intervention and Advocacy, spcaLA focuses on shelter animals' quality of life. As an spcaLA veterinarian, you will make a direct impact on the lives of abandoned, abused, and neglected animals by managing herd health, supporting animal cruelty investigations, implementing low-cost vaccination clinics, and more.

Primary Function: The Veterinarian is responsible for diagnosing, treating and assisting with managing the health of animals in the custody of spcaLA within the goals and guidelines established by the Society.

Duties & Responsibilities:

- Examination of animals for prospective adoptions to ensure health condition
- Examination of and treat injured or sick animals that come into spcaLA's custody
- Assist in the maintenance of protocols by promoting an aggressive program for recognizing, treating, controlling and eradicating transmittable diseases within the kennel and veterinary facilities and ensure adherence to the protocols
- Evaluate, make recommendations for and perform humane euthanasia if animals according to spcaLA policies and procedures. May also train and certify staff in proper euthanasia methods and techniques.
- Maintain effective communication with staff and department supervisor to ensure harmonious, efficient and effective operations
- Work cooperatively with agency's law enforcement division on animal cruelty investigations and prepare reports as required
- Assist in the planning, coordinating, and implementing low-cost vaccination clinics.
- Assist with monitoring all drugs and equipment within veterinary department; ensure adequate stock is on hand and make recommendations for cost saving items
- May perform spay and neuter surgeries and other surgeries

Job Related and Essential Qualifications

- Must possess a valid license to practice veterinary medicine in state of California and maintain in course of employment
 - Must possess CA DEA drug license and maintain in course of employment
 - No felony convictions or convictions of driving while under the influence of drugs or alcohol
 - Valid California Driver's License, or ability to obtain one and maintain during the course of employment. Insurable to drive company vehicle
 - Ability to operate vehicle under all types of weather road conditions
 - Ability to perform the job in a professional manner and work efficiently under pressure
 - Ability to work independently and originate and execute projects with little or no supervision
 - Availability to work when and where needed, including field disasters or emergency response for extended periods of time
 - Ability to deal with sensitive issues effectively and tactfully with the public, staff and volunteers
